Спецификация базовой линии производства блоков и кирпичей
 (Base Block Making Production Line)

NO.	Name	Model
1	Compulsion Type Concrete Mixer	JS750
2	Block Making Machine	
3	Hydraulic Unit	Included
4	Conveyor Belt I	Included
5	Pallets Feeder	Included
6	Blocks Conveyor	Included
7	PLC Control Unit	Included
8	Mould	Included
9	Auto. Color Feeding System	
10	Conveyor Belt II	
11	Pigment Mixer	JQM500
12	Blocks Stacker	
13	Manual Hydraulic Forklift	
14	Bamboo Pallets	1100?680?25mm

Note::

1. If customer doesn't produce colored layered paving stone, then Auto Color Feeding System (No.13-15) can be deducted.
2. All kinds of moulds can be produced by customer's drawings.
